

Chairs Report AGM June 2018

This year we hosted our first Regional Tournament at the Virgin Active in Falmer where we had 34 players.

Organising a competition on this scale is quite an undertaking and great credit goes to all the organising team and the best part of 30 volunteers whose help on and off court was fantastic.

Chris Baily competed in the 2nd international sound tennis tournament in Dublin in April where he won his B Classification group

Chris B, Paul G, Keith Turner, are some who have competed in regional tournaments and plan to compete in the Nationals this year in October.

Playing Venues

From November we started using Virgin Active in Falmer for our indoor coached sessions. Grant the operations manager has made us most welcome. The sessions are proving popular with players from Eastbourne and London coming along.

Pavilion & Avenue Tennis Club, Southwick and The King Alfred are local venues where we offer a leisurely game during the week. Please check out our website or facebook for dates and times or contact Paul or myself.

Thanks to Jane Thomas who continues to be meticulous in her lesson planning to make sure all players and volunteers get the most out of our coached sessions.

Ollie comes along to offer coached with Jane this is a bonus – thanks Ollie :-)

A huge thanks to Paul who again over the past year has worked tirelessly in particular organising the regional tournament.

Finally to our volunteers you all continue to give your time and we players appreciate what we gain from your time.

Christine Laurence

Chair STS
